<b>Language Waiver Results:</b> By signing this form, I confirm that the student has fulfilled the EAS language requirement as indicated above.		
Language Coordinator's Signature:		Date:
Program Administrator's Signature (after added to Degree Explorer):		Date:

**Important Notice to Student:**

Within two weeks of receipt of this form, the Program Administrator will add a note to your EAS record in Degree Explorer in the language requirement section and waive that requirement. Please note that the language waiver does not reduce the overall number of credits you need for the program (7 for the Major and 10 for the Specialist -- please refer to Requirement 1 in Degree Explorer). Thus you must replace the language courses with Society-Culture courses or courses in one of the other languages in order to complete your program.
