Korean Placement Interview/Test Form September 2020

1. The purpose of the placement process is to place you in the most appropriate language course. You must answer these questions and the questions during the interview honestly. Misrepresenting your knowledge of the language is considered a violation of academic integrity guidelines and will result in you being removed from the course without notice. Academic offences will be reported to the Office of Student Academic Integrity.

2. After the placement test, your course placement will be posted on the EAS website. Please note that space is limited, so attending the placement test and a course placement does not guarantee you a spot in the course.
