Korean Enrolment Form 2019-2020

Students who are not EAS Specialists/Majors must request to be registered by the department by submitting this form by August 12, 2019 at 9 am EDT. Registrations will be processed by the timestamp on your form submission, so it is in your interest to submit this form as soon as possible. The department will register you in the course if space permits or add you to the waitlist during August 13 - 15. Please note that you may only submit this form if you have the minimum grade in the prerequisite course or were placed in a course via the placement test previously. For others, your September placement test form and placement result will serve as your request for registration.
