**Chinese Placement Test September 2019**

EAS Majors and Specialists who already have competency or proficiency in Mandarin may take a Placement Test to fulfill the language requirement. If students pass the test, they must take Society-Culture courses to replace the language courses they would have taken. Tests take place twice per year, in September and April. Students must submit this form two weeks in advance in order to register for the test.

* Required

1. **Email address** *
